

Year 5 Autumn Term

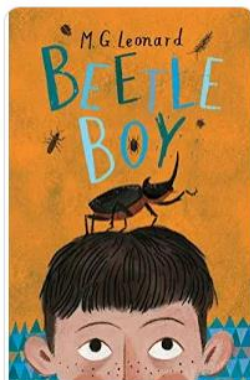

English

We are focusing on improving grammar and punctuation this term and will be working on the following:

- Common and proper nouns
- Collective and partitive nouns
- 'Being' verbs and 'to have'
- Regular action verbs and verb phrases
- Irregular action verbs and verb phrases
- Subjects
- Building single clause sentences.
- Pronouns
- Co-ordinating conjunctions

We will also be writing for different purposes such as letters for our coffee morning.

We are reading...

Maths

- Place Value to 1 000 000
- Addition and Subtraction using mental and formal written methods
- Multiplication and Division using mental and formal written methods

We will still be using TTRockstars to support us with our multiplication facts.

Science

Properties of materials

- Materials have different uses depending on their properties (e.g. hardness, transparency, thermal conductivity) and state (liquid, solid, gas).
- Some materials can be dissolved in liquid to form a solution.
- Some changes can be reversed, and some can't - reversible and irreversible change.
- Some mixtures can be separated by filtering, sieving and evaporation.

Art

Installation Art

- Installation art is a type of 3D art and often uses everyday objects.
- Installation art is often large in scale
- Still life

History

Romans

- 43 AD – Emperor Claudius launched a successful third and final invasion of Britain.
- The Romans had various reasons for wanting to invade Britain, including acquiring resources such as precious metals (gold, tin and iron), cattle and fertile land.
- Boudicca was the queen of the Iceni tribe in the east of England and led a major uprising against the Romans

Geography

Trade

- Trade is the buying and selling of goods
- Countries trade with each other when they don't have the resources for their own country's needs and wants.

PE

PE will be on a Tuesday and Thursday.

Please can the children come to school in PE on these days.
